

**JOSETTE
BEDDELL
MEMORIAL
FOUNDATION**

Dear Local Business Owner,

I am writing to you on behalf of the Josette Beddell Memorial Foundation. Our mission is to help better the lives of families in Northeast Ohio affected by breast cancer through raising and distributing funds directly to local families. Our largest annual fundraiser, The Wind Chime Ball, helps us carry out that mission. We would like to ask you to consider sponsoring the event.

This year's Wind Chime Ball will be held on **Saturday, February 25, 2017**, at La Pizzeria Banquet Hall in Canton, Ohio. Last year, the event drew over **525 people** for a night of dinner, dancing, music, raffle and silent auction to ultimately raise \$40,000 for women in need. Sponsors can also feel good about not just donating to a worthy local cause but also receiving recognition for their support at The Wind Chime Ball.

Last year, with the generous support of sponsors like you, we were able to provide financial assistance to over 30 families in need. Some of which were:

- Assisting a single mother in getting caught up on past due bills.
- Help a senior citizen get into her first apartment after losing her husband.
- Provide a grant to cover the additional cost of medication, gas and co-pays to a family trying to make ends meet while going through chemotherapy
- Cover the cost of utilities for the winter months for a breast cancer patient out of work.
- Assist a single elderly breast cancer patient with grocery costs for her new high protein diet.

Thank you in advance for your support of those dealing with cancer and your belief in the Josette Beddell Memorial Foundation. Please contact Mary Beddell at mbeddell@josettememorial.org or (330) 685-2329 with any questions.

Sincerely,

Mary Beddell
President, Josette Beddell Memorial Foundation
